2. YOUR MEMBERSHIP

Atlassian collects data about you when you use its products or services, or otherwise interact with it. You must register for an account with Atlassian in order to place Orders or access or receive Software. Your registration information must be accurate, current and complete. You must keep your registration current so that **Atlassian** may send notices and other information to you by email.

When you use the Services of miniOrange, Atlassian shares information about your profile to **miniOrange Security Software Private Limited**.

3. RESTRICTIONS

Except as otherwise expressly permitted in this Agreement, you will not: (a) reproduce, modify, adapt or create derivative works of any part of the Software; (b) rent, lease, distribute, sell, sublicense, transfer, or provide access to the Software to a third party; (c) use the Software for the benefit of any third party; (d) incorporate the Software into a product or service you provide to a third party; (e) interfere with any license key mechanism in the Software or otherwise circumvent mechanisms in the Software intended to limit your use; (f) reverse engineer, disassemble, decompile, translate, or otherwise seek to obtain or derive the source code, underlying ideas, algorithms, file formats or non-public APIs to the Software, except to the extent expressly permitted by applicable law (and then only upon advance notice to us); (g) remove or obscure any proprietary or other notices contained in the Software; (h) use the Software for competitive analysis or to build competitive products; (i) publicly disseminate information regarding the performance of the Software; or (j) encourage or assist any third party to do any of the foregoing.

4. Privacy Terms.

miniOrange server doesn't collect & store any personal data, miniOrange Add-on serves for transaction between Atlassian Application and Identity Provider. Only Atlassian may collect certain data and information from you and Secondary Users in connection with your and Secondary Users' use of the Software. All such data and information will be collected in Atlassian database and used by Atlassian in accordance with Atlassian's Privacy Policy. [Click here](#) to know Atlassian Privacy Terms.

5. TERMINATION

Without prejudice to any other rights, miniOrange Security Software Pvt LTD may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the Software.

6. Indemnification

You agree to indemnify us and hold us harmless for all damages, losses and costs (including, but not limited to, reasonable attorneys' fees and costs) related to all third party claims, charges, and investigations, caused by (1) your failure to comply with this Agreement, including, without limitation, your submission of content that violates third party rights or applicable laws, (2) any activity in which you engage on or through miniOrange, and (3) displaying your name, your organization name and logo (or your client's name and logo for whom you are purchasing or deploying our solution/services) on our website for marketing purpose showing you as our customer.

7. Upgrade/Renewal/Customization

According to Atlassian Marketplace Policy, you may upgrade/renew your license (e.g., adding Authorized Users, copies or instances) by placing a new Order or, if made available by Atlassian, directly through the applicable Software. Any upgrades to your license will be subject to additional fees, as set forth in the applicable Order. Software renewals must be mutually agreed upon by the parties in writing. All renewals are subject to the applicable software continuing to be offered and will be charged at the then-current rates. You will pay applicable renewal amount before expiry date to avoid service termination.

Additional services provided by miniOrange like customization is not included in maintenance support & licence, you will pay the applicable amount in advance to miniOrange, as agreed between you and the miniOrange's representative for customization work which will be delivered separately to you (Not through Atlassian Marketplace)

8. REFUND POLICY

According to Atlassian Marketplace Policy, you may terminate your initial Order of the applicable Software under this Agreement, for no reason or any reason, by providing notice of termination and returning any applicable Software to Atlassian no later than thirty (30) days after the Order date for such Software. Atlassian may disable the license key that allowed the Software to operate and, at your request (which may be made through your account), Atlassian will refund you the amount paid under such Order. This termination and refund right applies only to your initial Order and only if you exercise your termination right within the period specified above, and does not apply to Additional Services.
